Someone, as I started to scream, put their hand over my mouth from the back. I could not see who did this. God has said in the bible the law does not carry the sword in vain. The law is ordained by God for the evil doer, therefore do not be afraid of the law except if one is an evil doer. They persecuted themselves as evil doers by abusing me forcefully & denying me my lawful right to freedom of religion. My right to worship my God in a Christ like manner. The off duty police officers used brute force against me, a ^{female} senior citizen, without just cause. My body was wretched as the officers threw me on the grass. I was totally disgraced. The members of the church were worshipping in the assembly hall & must have not heard the commotion because no one came out to help me. No one called me to find out why I had not been to worship after I had been...

The Church that the bible said, said come who so ever will, come just as you are and drink of the water of life freely. Praise God the Father, His Son our Redeemer & the wonderful, beautiful Holy Ghost. May they reign & be glorified for ever and ever. Recinded my motion to not have my pleadings to not have my case dismissed against Judge Edwards. I had filed a law suit against him and Pamela Oliver + Supervisor Jane Doe for discriminating against me a lone attorney. For my remedy I had asked that he be removed from the bench + the Supervisors Pam Oliver + Jane Doe to be fired. I had mercy on them and recinded my motion. Their attorney Mr Aaron Thomas of Corporate Council did not even shake my hand nor did he acknowledge my gratitude. Judge Edwards never acknowledged nor did he introduce himself to me to thank me in any way. Neither Pam Oliver Supervisor of room 201, nor did Jane Doe her supervisor ever thanked me or acknowledge me in any way. What inadequate behavior! I had just saved their jobs, their lively hood. Crazy, ungrateful people. I could have won the case hands down because I had them dead center.

Protective Services + Rochelle mailbox (S.W. Roper) have been treating me with scorn + disdain. I know I have not had running water in this house for months nor use of a toilet. Even now they have not helped me in any way nor have they found me a place to sit. I told Rochelle I was using bags for a toilet. She said nothing. - 11) Shoot Sng out in the center of the forehead.

Do this ritual approximately for 3 days, and the patient shall be cured.

Alzheimers

Take 10 flies and placed them in a closed container, but the top of the container must be full of holes, where the humming of the flies can be clearly heard.

Take 3 of these containers and place them in a 90° angle in the room. The humming must be heard very clearly, or make a recording of the noise.
